Land Survey Notice

To Whom It May Concern:

Redefined Horizons is performing a boundary survey in this area. As part of our work we are searching for and locating property corner monuments and other evidence of parcel boundary locations. Our survey field crews are working under my direct supervision to perform this work.

If you have survey maps or other documents related to parcel boundaries in the neighborhood, we ask for the opportunity to review them. We also request that you let us know if you have knowledge about any property corner monuments or parcel boundaries in the neighborhood. We may be able to use this information as part of our task to locate boundaries. It is important that we have as much information as possible for our work.

Our survey may involve setting property corners or performing other actions that may influence your land. Please reach out to me if you would like to be provided with updates on the status of our work.

If you have any questions or concerns about the activities of my field crew or our survey, please contact me using the information below.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Landon Blake', is written over a faint, light blue grid background.
